Patient Review

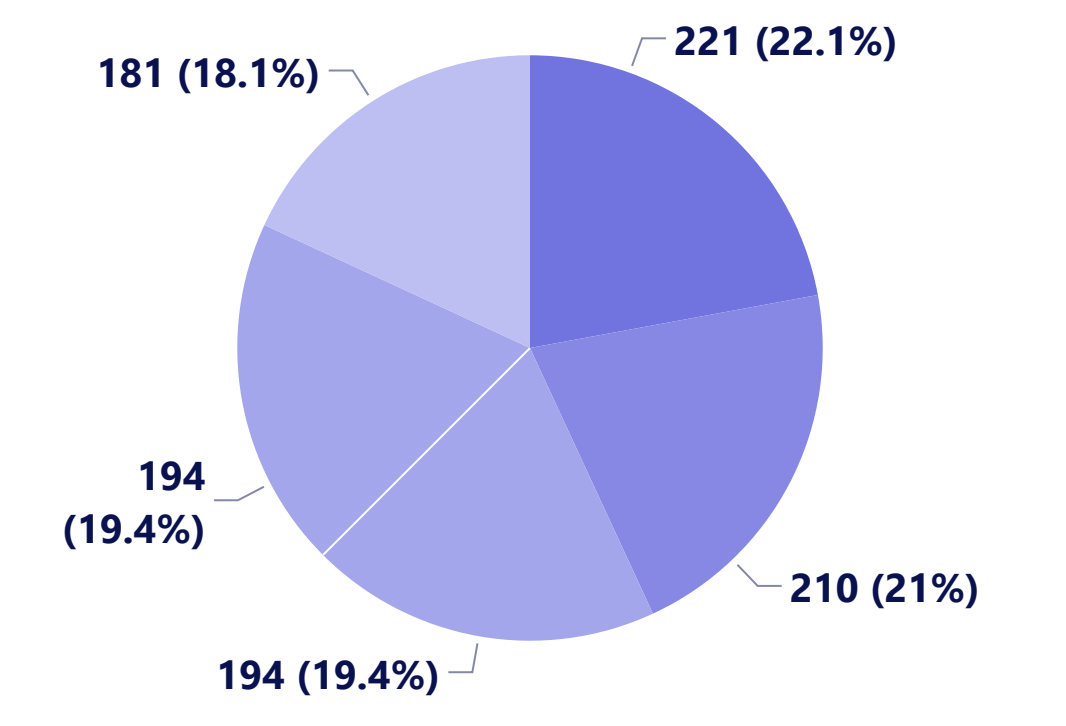

Review Classification

A donut chart illustrating the distribution of review sentiment. The chart is divided into three segments: a large dark blue segment for 'Neutral' (64.04%), a medium blue segment for 'Positive' (20.85%), and a small purple segment for 'Negative' (15.11%). Each segment is labeled with its category and percentage, with a thin line connecting the text to the corresponding slice.

Sentiment	Percentage
Neutral	64.04%
Positive	20.85%
Negative	15.11%
